

# tender

## temporizzati

*timed flow control taps*

## temporisés

TENDER di Alpi è la linea di rubinetti temporizzati **ideale in ogni ambiente ad alta frequenza e con uso continuo d'acqua.**

I rubinetti Tender razionalizzano i consumi e consentono un notevole risparmio d'acqua.

*TENDER is Alpi timed flow control tap range, ideal for environments with high attendance and continuous water usage.*

*Tender taps rationalize consumption and allow for significant water saving.*

TENDER est la ligne complète de robinets temporisés de Alpi, **idéale pour les environnements à haute fréquentation et de forte consommation d'eau.**

Les robinets temporisés Tender en permettent la rationalisation.
